

Pennie Transfer Content

If you are no longer eligible for MA, your information will be securely transferred to Pennie®, Pennsylvania's official health insurance marketplace, where you can select a qualified health plan (QHP) that best fits your needs.

There, (INSERT INSURER) has low-cost or even no-cost plans to choose from, and Pennie will connect you with financial savings to help reduce the cost of coverage and care.

(optional 1: Once your information is shared with Pennie, you will be contacted via your preferred communication method to explain how you can access a Pennie account and an estimate of your financial savings that can be applied to a QHP)

(optional 2: Pennie can connect you to a Pennie-certified assister or broker that can help answer questions or guide you through the process. Help is local, personalized, and can be over the phone, virtual, in-person, and in your preferred language)
